

# ANGELA WONG

Her real name is Angela but everyone knows her as Bluebean. Angela worked as a concept designer before she found her love for illustrations and stories. Drawing nature and creatures with tiny paws using vibrant and fun colours always brings her comfort. She is mostly influenced by her surroundings and loves to get lost in nature every now and then. Angela has worked for books, fashion, music albums, games and advertisements.

Our mission is Great Available Art by Great Available Artists. Be sure to check out the right hand pages, which predominantly feature new, and available book samples. E: [mail@advocate-art.com](mailto:mail@advocate-art.com)
