

MAI
NGO

Mai Ngo is a Vietnamese illustrator and creative designer with over 5 years of experience in the publishing field. After graduating from Hanoi Architectural University in 2018 with a Bachelor's in Architecture, she found herself passionate about visual storytelling and made a big decision to become an illustrator instead. Her works are inspired by folk tales, ancient myths, and the diversity of children's imagination. Mai loves books, and she is a big fan of well-known novelist Neil Gaiman. Her favorite quote is: "Fairy tales are more than true: not because they tell us that dragons exist, but because they tell us that dragons can be defeated."
