Millie Liu

Millie Liu was born in sunny Pasadena, California and has been drawing ever since she could hold a pencil. It did start with color pencils on walls but after some scolding, she decided paper was much better. She graduated from Otis College of Art and Design and went into the field of toy design shortly after, designing colorful toys for children the world over.

Her favorite subject to draw is story-driven fantastical locations with a touch of magic. When not drawing, she loves to read, experiment with cooking and keep up with her fierce, growing collection of house plants.
