

Whitney is an illustrator and animator, born and raised in the sleepy suburbs of Atlanta. Before Whitney could speak with words, she spoke in scribbles and chewed up crayons. She has a tremendous love for animals, nature, travel, and fairytales-- which are also often her sources of inspiration. Since graduating from the Savannah College of Art and Design, she has produced work for clients like Airbnb, Lyft, Netflix, and more. Her current work extends to Character Design, Concept Art, Children's Art, and Editorial Illustration. When she is not hunched over her Cintiq creating art, Whitney can be found brewing a cup of tea or exploring trails with her pup, Honey.
